

Media Log – 2011 Highlights

Alabama Press Register – Gulf oil wells 10 miles from Deepwater Horizon site leaking since 2004

http://blog.al.com/live/2011/02/wells_still_leaking_in_gulf.html

Interview with SkyTruth regarding the Taylor Energy platform leaks

Associated Press – Shell oil spill off Nigeria likely worst in decade

<http://www.google.com/hostednews/ap/article/ALeqM5iPmo7xWuZcG1DX0kvqUuplHznm4Q?docId=1a45bf23380d4b4d928a66a80b3ca45d>

Features interview with John

Earth Imaging Journal – Deepwater Horizon REVISITED

<http://eijournal.com/2011/deepwater-horizon-revisited>

Adapted excerpt from “Impacts, Perception, and Policy Implications of the BP/Deepwater Horizon Oil and Gas Disaster,” Elliott Norse and John Amos, which appeared in the November 2010 issue of the Environmental Law Reporter’s (ELR’s) News & Analysis.

Facing South – Foreign Oil Interests Still Fouling Louisiana’s Coastal Waters

<http://www.southernstudies.org/2011/05/foreign-oil-interests-still-fouling-louisianas-coastal-waters.html>

Features image by SkyTruth and mentions SkyTruth’s blog of May 11, 2011 regarding the ongoing leak at Platform 23051

The Guardian – Shell oil spill off Nigeria likely worst in a decade

<http://www.telegraph.co.uk/finance/newsbysector/energy/oilandgas/8974141/Shell-oil-spill-off-Nigeria-likely-worst-in-a-decade.html>

Mentions SkyTruth’s analysis of the oil spill off Nigeria and features quote by John

Huffington Post – The BP Spill One Year Later: Renewing Trust Along With Ecology

http://www.huffingtonpost.com/ian-r-macdonald/the-bp-spill-one-year-lat_b_900404.html

Op-Ed piece co-authored by John Amos and Ian MacDonald

Los Angeles Times - Group launches online environmental accident map

<http://latimesblogs.latimes.com/greenspace/2011/10/skytruth-pollution-map-bp-gulf.html>

Features SkyTruth's Press Release about SkyTruth Alerts system

Nature – Oil spills underreported in Mexican Gulf

http://www.nature.com/news/2011/110421/full/news.2011.250.html?s=news_rss

Features interview with John

New York Times - Oil Spill, Redux: Revisiting a Mystery

<http://green.blogs.nytimes.com/2011/02/04/oil-spill-redux-revisiting-a-mystery/>

References SkyTruth: *Remember that this claimed rate was **questioned** by scientists, especially Dr. MacDonald, and by advocacy groups, notably a small environmental organization called **SkyTruth**.*

New York Times – Brazil Officials Criticize Chevron Over Oil Spill

http://www.nytimes.com/2011/11/19/business/energy-environment/brazil-officials-criticize-chevron-over-oil-spill.html?_r=1

Mentions that SkyTruth's spill estimate are greater than Chevron is saying

New York Times - Oil Spill Moves Toward Nigerian Coast

http://www.nytimes.com/2011/12/23/science/earth/oil-spill-moves-toward-nigerian-coast.html?_r=1

Mentions SkyTruth's analysis of the oil spill off Nigeria and features quote by John

OWNI - SkyTruthiness: Ecological Disasters From Above (English version)

<http://owni.eu/2011/07/22/skytruthiness-ecological-disasters-from-above/>

Features interview with John

Scientific American - Gulf Oil Spill Tracker

<http://www.scientificamerican.com/citizen-science/project.cfm?id=gulf-oil-spill-tracker>

Features the Gulf Oil Spill Tracker

Significance Magazine - Deepwater Disaster: How the Oil Spill Estimates Got It Wrong

http://ocean.fsu.edu/faculty/macdonald/pubs/macdonald_significance_2010.pdf

Article written by Dr. Ian MacDonald, references John Amos and SkyTruth

Tallahassee News Examiner – New Oil Slick Appears in Gulf of Mexico Near Site of Former Deepwater Horizon

<http://www.examiner.com/environmental-news-in-tallahassee/new-oil-slick-appears-gulf-of-mexico-near-site-of-former-deepwater-horizon>

Features quotes from SkyTruth's blog of 5/11

Washington Post – When it Comes To Offshore Drilling, Still Treading in Deep Water

http://www.washingtonpost.com/national/when-it-comes-to-offshore-drilling-still-treading-in-deep-water/2011/04/15/AFWrB5qD_story.html

Mentions SkyTruth's estimates of recent Anglo-Suisse oil spill:

"Looking at satellite photos, John Amos, a geologist who runs a blog called Sky Truth, calculated that the slick was not four gallons but no less than 640,728 gallons."

Washington Post – Oil spill: Revisiting the Well from Hell

http://www.washingtonpost.com/blogs/achenblog/post/oil-spill-revisiting-the-well-from-hell/2011/08/26/gIQAKYX5fJ_blog.html

Features link to SkyTruth's blog of 8/18 and to an AP story that featured SkyTruth on 7/10/10

Washington Post – Oil leak prompts Chevron to halt well-drilling off Brazil's coast

http://www.washingtonpost.com/business/economy/oil-leak-prompts-chevron-to-halt-well-drilling-off-brazils-coast/2011/11/15/gIQAgVkcPN_story.html

Discusses SkyTruth's analysis of Chevron's oil spill with quotes

West Virginia Public Broadcasting – SkyTruth Expands, Offers Marcellus Drilling Data

<http://www.wvpubcast.org/newsarticle.aspx?id=22364>

Radio interview with John and Paul

Link to full interview: <http://dl.dropbox.com/u/17278551/1027Skytruth.mp3>

West Virginia Public Broadcasting Station – This Week In West Virginia

<http://www.youtube.com/watch?v=9T-S56LZhRs>

Features 3 minute segment on SkyTruth focusing on Marcellus Shale Drilling

Wired Science – Gulf Oil Shouldn't Spill Beneath the Radar

<http://www.wired.com/wiredscience/2011/04/satellites-gulf-oil-spills/>

Features interview with John

SKYTRUTH

Wired Science – Nigeria Oil Spill Raises Concerns About New Drilling Tech

<http://www.wired.com/wiredscience/2011/12/nigeria-oil-spill/>

Interview with John and image by SkyTruth
