Washington Post - Lost: The mysterious, baffling disappearance of Malaysia Airlines Flight MH370

http://www.washingtonpost.com/national/health-science/lost-the-mysterious-baffling-disappearance-of-malaysia-flight-370/2014/03/11/1b7e390e-a94f-11e3-b61e-8051b8b52d06_story.html?hpid=z1

Features quote from John Amos:

"Despite the impression that people get when they use Bing and Google Earth and Google Maps, those high-resolution images are still few and far between," said John Amos, president of SkyTruth, a nonprofit organization that uses such images to engage the public on environmental issues.
